

Monthly News Bulletin

March 2018

Thank you for your patience during the increment weather and a huge thank you to the parents who helped us clear all the snow last Sunday! We will be holding consultation evenings over the next few weeks so please use our online system to sign up for an appointment or see your child's class teacher. Regular contact between home and school is vital in ensuring that we are able to work in partnership to support the progress and development of your children. We look forward to meeting with you during parents' evening.

Fun and Fitness week

The children will be participating in *Fun and Fitness* coaching sessions next week. This is a national initiative led by the Body Coach to help children get fit!

World Book day

Ahoy there!

All of the children looked fabulous in their costumes today – pirates n'all!

Every class has worked super hard producing some fantastic pirate themed writing, which will be displayed in school.

On line Safety

It has come to our attention that a number of children are playing on video games that have inappropriate content in them and this is having an effect on children's behaviour in school. Please ensure your child is meeting the legal requirement when participating in online games. Should parents want any further information or advice related to e-safety, please see the advice attached and the 'Help your child to stay safe online' section in the 'Parent' section on the school website.
