Additional comments given by parents:

- Frederick Nattrass is an amazing school
- I am really pleased with the extra support my daughter receives and that I am regularly updated with her progress and new plan of action.
- I would like to have more regular updates about her progress and for longer, and also information about how to help my child excel further.
- I would like more information / support to help my child at home.
- The school has been fantastic in identifying learning and behavioural issues with my son and have put steps in place to help and support him and myself.
- Best school ever!
- Would like to see a monthly report on any progress etc so that we can help more at home if needed.
- A brilliant school, very welcoming and all staff are approachable.
- My child is very happy and has been supported by staff allowing him to progress. Thank you!
- Sometimes notifications of events is not good.

Our response:

- You will soon be hearing about 'Marvellous Me' – this is an APP that you download to your phone / tablet / computer and will allow teachers to instantly send a message about how well your child has done in a particular subject today, or suggest something you can help with at home.
- We now notify parents of events by letter that the children take home, by text message, by posters in windows, on the school website and Facebook page.
